

## **Arizona**

### **Buckeye Training Site**

---

#### ***Facility and Location***

The Buckeye Training Site is used for off road vehicle maneuvers and dismounted infantry training. A Joint Arizona National Guard/Army Reserves readiness center was constructed at this site in 2010. Water is supplied by an Arizona Army National Guard operated groundwater well.

#### ***Media Sampled and Findings***

**Drinking Water** — In 2011, two of two samples detected perchlorate 0.82 and 0.90 ppb.

#### ***Appropriate Actions***

Not Applicable. All samples were below the EPA and DoD Preliminary Remediation Goal of 15 ppb.
